need prayer?

We have a casual atmosphere but a serious faith. Prayer is a crucial component of Christian faith, and we have people ready to pray with you after each and every service. Just go to the front of the stage at the end of the service and a member of the prayer team will meet you there. And if prayer is new to you and you've never done it before, just ask for prayer and let them pray for you. You can also complete the prayer request section of the Connection Card or click "Get Prayer" on our website homepage.

a word about giving

Giving is an act of worship to God, and we believe in that completely. Giving to God is a personal moment between you and God, which is why we place the collection boxes in the back of the church. God is not after your money; rather, He is after your heart. At Creekwood, we want to help that happen. For your convenience, online giving is available on our website homepage.
